Washington, D.C.

Dear Mr. Kondracke,

Commission counsel Liebeler, Mr. Ball, Mr. Belin and several others he mentioned to the FBI. These include Mr. Walter Colby, of the Los Angeles area, and a Col. William Wise, of the same city. Another is Frank Cherry, of Longview, Texas.

Colonel Wise once had a company called the Oil Well Owners. His records also had one of the names of the first three men of Jack Ruby's organization.

Dave Bilen, of the Dixon-Yates empire, Walter Jr., also was Counsel, is mentioned, as is a woman writer, about 60 years.

I would appreciate it if you would let me have copies and location and copies now with all pertinent information on all the above.

Sincerely yours,

Harold Weisberg
